II f. Safe and adequate organization of physical space that provides accessibility to learning and use of resources	S			

Commendations/Recommendations:

Commendation: The class starts on time and teacher immediately gets class focused and on task. Students are arranged in groups of three to four and each group is assigned a specific question to review as the bell ringer exercise. The teacher uses APL techniques in all aspects of his delivery and presentation. The classroom routines and procedures are extremely effective and there is no confusion about teacher expectations. The students respond positively to teacher directives and there is no observable loss of class time. Teacher has developed instructional goals with appropriate expectations for students that challenge them and their ability levels. The teacher has created a classroom environment that places....

Key: S = Satisfactory IN = Improvement Needed SC = See Comment NA = Not Applicable
