Jacksonian Democracy App Smash Project

Your assignment is to work in groups <u>up to three</u> to explain an important conflict during the period called Jacksonian Democracy (1824-1840) in a video at least two minutes long. The project will be created using a smartphone/tablet/computer, and you will share your project to Mr. Androstic by the end of class on Tuesday, November 21. For this project, you will create the video using a number of different smartphone apps to creatively tell your story. You must use at least THREE different apps to create this project, including, but not limited to, audio apps, photoshop apps, and video/presentation apps. You will create the project, but will also <u>share with Mr. Androstic a summary of your production process</u>, including explaining <u>what apps you used</u> to create what portions of your project.

Your presentation will be graded on the following requirements:
